BRIG. ~~KLOPPER~~ JOINS MORAL REARMAMENT

HEIDELBERG (Transvaal),
Thursday. — "Speaking in the
name of my Department, I want
to wish the moral rearmament
movement all success in this
great labour of love through
which I, myself, have been
helped and which, I believe, is
the answer to world problems to-
day," said the Director of Land
Forces, Brigadier A. D. Klopper,
here last night.

Addressing the All - Africa
Moral Rearmament Assembly,
he said: "You have got some-
thing that is certainly stronger
than most weapons we soldiers
carry."—(S.A.P.A.)
