## Native Township Chairman Flies to Switzerland

A Springs Native, Mr. J. M. Mohlala, chairman of the Kwa-Thema Native Township Advisory Board, has been granted a passport by the Department of the Interior to attend the World Assembly of the Moral Rearmament Movement which is being held in Switzerland.

He left by plane this week and will return to Springs at the end of November. This is the first time that he has been outside the Union.

Mr. Mohlala rendered valuable service to the Town Engineer of Springs in securing Native artisans from all over the Reef to assist in building houses at the Kwa-Thema township.
