MRA group in Salisbury

MR Archie Mackenzie, who has chaired Moral Re-Armament world assemblies in Switzerland, has arrived in Salisbury.

Mr Mackenzie is accompanied by his wife Ruth, Mr Conrad Hunte, former West Indian cricket captain, and Mr and Mrs Patrick Wolrige-Gordon. Mr Wolrige-Gordon was a Conservative Member of Parliament in Britain for 16 years.

The group hopes to re-new contact with Rhodesians it met at the world conference of MRA last year. It also plans to speak to representatives of all political groups.
