

SPRINGBOK STAMPEDE IN action. This is one of the scenes which can be seen tonight (Friday) in the Ermelo Town Hall as part of the show "Springbok Stampede."

TONIGHT'S CONCERT IN TOWN HALL

HERE IS A QUOTATION FROM THE „SUNDAY TRIBUNE”. Natal, which strikes the right note: „Their sincerity is obvious, their singing powerful and their appearance striking. The material is first rate.”

To this can be added what the „Springs Advertiser” had to say:

“Springbok Stampede gave an exciting glimpse of what young people can do. This show was one of the most bilingual that Springs has heard.”

“The Star” was even more enthusiastic: “Seldom in Johannesburg has a group of youngsters so positively captured an audience — three curtain calls, a five minute long standing ovation — the hall trembled with applause”.

This is obviously a show which Ermelo people will enjoy thoroughly. The photographs which we publish illustrate the enthusiasm the youthful zest of the participants, enthusiasm and zest which must prove infectious. Today (Friday) night at 7.30 in the Town Hall.
