Youth leader visits M. R. A.

A surprise visitor to the Moral Rearmament Assembly in Johannesburg during the New Year week-end was Mr. Count Pietersen (left), a Benoni A. N. C. youth leader. Here he is with two Moral Rearmament leaders, Mr. P. Q. Vundla, of Western Township, and Dr. Wm. Nkomo, of Pretoria. Mr.

Vundla told the M. R. A. assembly that everybody in South Africa, Black and White, should be happy that more and more countries were gaining independence in Africa. Mr. Bremer Hofmeyr, another Moral Rearmament leader, said that the gaining of independence by African states was a challenge.
