PROTESTS

THERE have been numerous protests from supporters of Moral Re-Armament after my quoting an article in the "New Statesman" about the founder of the movement, Dr. Frank Buchman.

Tom Driberg recalled that in 1936, Dr. Buchman said, "I thank heaven for a man like Adolph Hitler who builds a front line of defence against the anti-Christ of Communism."

Miss Muriel Carrant, a British journalist at present visiting South Africa, has sent me a pamphlet on the history of the movement. In this it is stated that secret Gestapo files revealed that the Nazis denounced Dr. Buchman and the Oxford Group "for uncompromisingly taking up a frontal position against National Socialism."
